FORGET GOLF DAYS – DO YOU WANT TO REALLY SPOIL YOUR CLIENTS?

As the race day sponsor, you have the naming rights for each race featured on the day. Whilst you have the opportunity to use this to promote your own business, it will provide you with an opportunity to develop and strengthen relationships with your business partners by offering them individual race sponsorship. By on-selling race naming rights your business could effectively recoup all, or part of your sponsorship costs.

Local community groups have used this option to great effect as a unique platform to generate important fundraising revenue including the South Bunbury Football Club, Harvey Bulls Football Club and Gardies Mates Charity to name a few organisations.
